

Club Meets and Covid-19 restrictions

Written by ECSKC Chairperson

Wednesday, 13 October 2021 13:17 -

Club meets, which are classified as 'outdoor group activities' under the Covid-19 guidelines, are allowed to take place with **no restrictions**. In other words, club meets are **no longer limited to 15 people**

The club requests that anyone intending to attend a club meet **notifies the meet organiser** by either

- posting on the topic created for the club meet; or
- notifying the trip/meet organiser by private message.

Please note that, in exceptional circumstances, the meet organiser may limit the number of people attending a meet if there are insufficient experienced club members also attending the trip.
